THE LATEST FROM GALLAGHER

We're keeping you updated on all information relevant to your business.

Do You Do Business Internationally? Are You Covered?

In today's economy, where relationships are interconnected globally, most companies have some to substantial international exposure. Global trade accounts for over one-third of all U.S. revenue. Small businesses are aggressively exploring international opportunities and trading with international companies at an ever-increasing scale. Some of these companies have taken the position of investing internationally. <u>Read the Full Article</u>

IN THE NEWS AND IN THE KNOW

We've curated a selection of links just for you that feature relevant content and professional advice to help your business grow and prosper.

Why You Need Background Checks for Your Small Business

When you bring a new person onto your team, you should do so with an adequate amount of information. You've worked hard to build your business and establish your name. <u>Read more »</u>

Gallagher clients receive a 40% discount when they book services through partner company Universal Background Screening!

Even Good Employers Get Sued: The Cost of Not Having EPLI Insurance

In today's society many people sue first and ask questions later. Unfortunately, as an employer, there is a good chance that eventually one of your employees will sue your business. <u>Read more »</u>

A Simple Way to Boost Employee Morale

There's a very serious form of employee research called the engagement survey, in which you ask people their honest opinions of what it's like to work at your company. Also known as an "employee attitude survey," this research covers such meaningful topics as pay, work-life balance, trust in leaders, and culture. <u>Read more »</u>
