## Hidden Dangers Lurking in your Appliance Hoses

There's a ticking time bomb in your house right now, waiting to strike when you least expect it. In fact, there might even be more than one. And each can cause thousands and thousands of dollars in damage. [Read More>>](#)

## The Struggle of Traveling with Kids

Whether you're heading out on a long road trip or getting there in an airplane, there's no doubt that traveling requires a lot of thought and preparation. Add kids to the equation, and a simple trip can get pretty stressful. [Read More>>](#)

## Do I Need to Buy Rental Car Insurance?

While preparing to rent a vehicle and hit the open road, the last thing anyone wants to think about is insurance. However, being proactive can save you money and time in the long run. There may be instances where a current auto policy will extend to cover a rental car. [Read More>>](#)

## 10 Tips to Prepare for a Hurricane

Sometimes Mother Nature has a way of reminding us who's in charge. While you can't control when or where a hurricane will hit, the best way to minimize potential damage is to be prepared. [Read More>>](#)

## We're Listening!

Our priority is making sure you have the coverage you need at the best price possible with the top-notch service you deserve. We want to make sure we are hitting the mark. After you have an interaction with our team, you will receive a request to complete a short survey. While this survey is optional, we value the feedback that you provide. It's important for us to know what we are doing right and where we can improve. We appreciate your business!
