Gallagher provides risk services consultation that is tailored to our clients' particular loss history, industry risk factors, and insurance program structure. Our services, summaries and recommendations can include claim advocacy, evaluation of loss frequency and severity, loss prevention strategy, sufficiency of self-insured retentions, risk transfer options, identification of risk exposures, and insurance coverage for particular claims. Our work can also include collaboration with carriers, our clients' legal counsel, loss prevention or actuarial consultants. We emphasize that any of the above risk service, risk management opinions, and advice provided directly to clients or to clients' third-party vendors, is both confidential and intended for our clients' use and not for distribution. We also only offer the advice from an insurance/risk management perspective and it is NOT legal advice or intended to supplant the advice or services provided to clients from legal counsel and advisors. We recommend that our clients seek advice from legal counsel and
