## Premier Client Services Advisor Insights

You've worked hard for what you have. We'll work just as hard to protect it.

January 2022

#### Worst Passwords of 2021

Picking a strong password is more important than ever, but it's also becoming increasingly difficult. Cybercriminals are constantly picking up new tricks, and it is nearly impossible to stay ahead of them. <u>Read More>></u>

### Make your Home More Energy Efficient

As green technology increases, new homes are becoming more energy-efficient. If you haven't updated your home in a while, you may be throwing dollars out the window! <u>Read More>></u>

### Manual vs Automatic Transmission

Manual or automatic? The debate has raged for many years, ever since automatic transmission technology became good enough to popularize these easy-driving vehicles. <u>Read More>></u>

### Protect your Home - Winterize Your Pipes

We certainly never know what type of weather Mother Nature will deliver. Being proactive can go a long way to preventing losses and the collateral stress that ultimately follows. <u>Read More>></u>
