The information contained herein is offered as insurance industry guidance and provided as an overview of current market risks and available coverages and is intended for discussion purposes only. This publication is not intended to offer legal advice or client-specific risk management advice. Any description of insurance coverages is not meant to interpret specific coverages that your company may already have in place or that may be generally available. General insurance descriptions contained herein do not include complete insurance policy definitions, terms, and/or conditions, and should not be relied on for coverage interpretation. Actual insurance policies must always be consulted for full coverage details and analysis.

Gallagher provides risk services consultation that is tailored to our clients' particular loss history, industry risk factors, and insurance program structure. Our services, summaries and recommendations can include claim advocacy, evaluation of loss frequency and severity, loss prevention strategy, sufficiency of self-insured retentions, risk transfer options, identification of risk exposures, and insurance coverage for particular claims. Our work can also include collaboration with carriers, our clients legal counsel, loss prevention or actuarial consultants. We emphasize that any of the above risk services, six management opinions, and advice provided directly to clients or to clients' third-party vendors, is both confidential and intended for our clients' use and not for distribution. We also only offer the advice from an insurance/risk management perspective and it is NOT legal advice or intended to supplant the advice or services provided to clients from legal counsel and advisors. We recommend that our clients seek advice from legal counsel and t seek advice from legal counsel and third-party professionals to become fully apprised of all legal and financial implications to their businesses
