Firepit Safety

Be careful when you play with fire, even in the backyard. It's a great feeling to hang out with friends and family around a blazing fire in your backyard - unless, of course, that fire blazes a little too much. Read More>>

You Don't Have to be a Millionaire to be Sued Like One

Many people assume that Umbrella Insurance is only for the wealthy. The truth is, you can be sued no matter how much money you have. You can also be found responsible for damages in excess of the liability coverage limits of your insurance policies. Read More >>

Do I Need to Buy Rental Car Insurance?

While preparing to rent a vehicle and hit the open road, the last thing anyone wants to think about is insurance. However, being proactive can save you money and time in the long run. There may be instances where a current auto policy will extend to cover a rental car. Read More>>

10 Tips to Prepare for a Hurricane

Sometimes Mother Nature has a way of reminding us who's in charge. While you can't control when or where a hurricane will hit, the best way to minimize potential damage is to be prepared. Read More>>

Insurance brokerage and related services to be provided by Arthur J. Gallagher Risk Management Services, Inc. (License No. 0D69293) and/or its affiliate Arthur J. Gallagher & Co. Insurance Brokers of California, Inc. (License No. 0726293). The information contained herein is offered as insurance industry guidance and provided as an overview of current market risks and available coverages and is intended for discussion purposes only. This publication is not intended to offer legal advice or client-specific risk management advice. Any description of insurance coverages is not meant to interpret specific coverage that your company may already have in place or that may be generally available. General insurance descriptions contained herein do not include complete insurance policy definitions, terms, and/or conditions, and should not be relied on for coverage interpretation. Actual insurance policies must always be consulted for full coverage details and analysis. Gallagher provides risk services consultation that is tailored to our clients' particular loss history, industry risk factors, and insurance program structure. Our services, summaries and recommendations can include claim advocacy, evaluation of loss frequency and severity, loss prevention strategy, sufficiency of self-insured retentions, risk transfer options, identification of risk exposures, and insurance coverage for particular claims. Our work can also include collaboration with carriers, our clients' transfer options, identification of risk exposures, and insurance coverage for particular claims. Our work can also include collaboration with carriers, our clients evolves, risk management options, and advice provided risk ty to clients or to clients' third-party vendors, is both confidential and intended for our clients' use and not for distribution. We also only offer the advice from an insurance/risk management perspective and it is NOT legal advice or intended to supplant the advice or services provided to clients from legal counsel and advisors.
